

Compliance and Ethics Week 2017

Schedule of Events

Monday, June 19th – **ETHICS WEEK KICKOFF!**

Members of the Area Corporate Compliance Committee will visit all Charities' and Toomey sites, spreading a compliance message and bringing goodies for everyone! The theme this year is **iComply!** which focuses on securing protected health information.

Swag with Swagger Contest

Feeling clever? This year, programs will compete to design stickers and posters featuring the theme **iComply!**. The winning program will earn the bragging rights of having their design shared throughout the agency and they'll receive the "Golden Duck" award and a pizza party. Additional prizes will be awarded to 2nd and 3rd place winners. Entries are due by 12 noon on June 19th and winning designs will be announced at the Lunch & Learn.

Thursday, June 22nd –

Lunch & Learn featuring "Compliance: Taking it to the Streets!"

The fun will begin at noon at the HOP in Conference Room A. Grab some free lunch and watch your coworkers answer compliance questions in the "Compliance: Taking it to the Streets" video montage. Registration is not required. Interested in being featured in the video? Please contact Tiffany Teeter, Chair of Compliance & Ethics Week, at tteeter@ccoc.us.
